

2025 ANNUAL REPORT

Bringing Life-Saving Health Care to Uganda.

Tsiyon Family Hospital exists because compassionate people believe that access to health care should not depend on geography or income. What began as a shared vision has become a powerful example of what is possible when communities come together to invest in dignity, health and hope. The Tsiyon Family Hospital is no longer a dream. It is a living breathing place of healing.

- President, Claudia Werner

Thank you!

Over the past three years, your generosity has helped Building Up build, open, and operate Tsiyon Family Hospital in Sayyi, Uganda.

- 10,000+ patients treated
- 5,100 immunized
- 22 Uganda staff employed
- 650 treated via “pop-up” clinics

Care, Compassion, & Hope

In 2025 Tsiyon Family Hospital provided **3,201** children and families essential, medical care with compassion, and hope for a better future.

- **1,139** children and adults were immunized.
- **351** Received Dental Treatment
- **30** Babies delivered with dignity.

Healing in Action: Tsiyon Family Hospital

In April and October 2025, two Building Up medical and service teams came together at Tsiyon Family Hospital to host Family Medical Clinics, providing free care to 753 men, women, and children.

These moments reflect healing in action—compassionate care delivered where it is needed most.

Our 2025 accomplishments would not have been possible without our faithful supporters, partners, and our incredible Board of Directors and Advisory Council. I am deeply grateful for your time, talents, and generosity. Your unwavering commitment to improving the health and well-being of the men, women, and children of Sayyi and neighboring villages is truly commendable. Because of you, Tsiyon Family Hospital is no longer a dream—it is a living, breathing place of healing. I look forward to the impact we will continue to make together in 2026.

Sincerely,
Claudia Werner, President

Help Us Complete Our Mission

While the hospital is open and serving patients, one critical step remains: **fully equipping the operating room**. Completing this phase will enable Tsiyon Family Hospital to provide life-saving surgeries, emergency care, and safe deliveries on site—eliminating dangerous delays and long-distance travel when time matters most.

Total Equipment Investment Needed **\$148,000**

We invite you to continue this journey with us through our 2026 fundraising events: the Safari Run on June 13, 2026; the Tee Off for Uganda Health Care Golf Scramble on July 25, 2026; and the European Trip Raffle on October 18, 2026. Thank you for being part of this life-saving work.
